

A personal visit...

Chief of Naval Personnel Vice Adm. Mark Ferguson spoke to members of the BUPERS-Millington/NPC workforce during a visit Oct. 8.

CFC kicks off

The Combined Federal Campaign (CFC) season is here again. NPC Commander Rear Adm. Don Quinn has challenged the CFC representatives to make 100-percent contact with everyone in our workforce.

Last year's participation was 43 percent and 683 personnel donated \$152,868. It was our most successful campaign ever. Our goal this year is to increase participation by three percent to raise \$157,448.58. If each BUPERS Millington/NPC employee were to donate \$72, or \$12 a month, we will reach our goal.

CFC Loaned Executive is Chief Warrant Officer 4 Timothy Kilpatrick in PERS-42 and our BUPERS Millington/NPC Coordinator is Senior Chief Frank Ragin in PERS-4013. For more information, call Ragin at 874-4288.

Web transition

NPC is transferring to the next generation of web content management system - Sharepoint - bringing additional capabilities, such as full-text searches for keywords that Sailors often turn to and better design options. Web visits average nearly 1 million monthly. NPC/BUPERS has 275 designated authors/editors. Take a moment to find out who your code's authors are congratulate them.

Customer appreciation

PERS-5 will hold a Customer Appreciation day 10 a.m. - 2 p.m. Nov. 4 in the Whitten Bldg., Room B113.

Speed mentoring...

NPC Force Master Chief Jon Port speaks with Chief Yeoman (SW/SCW) Tony Lamar, from the Personal Readiness and Community Support Division, Yeoman 1st Class Coby Turner from the Navy Congressional Liaison Office, and NPC Deputy Ann Stewart during the Sea Services Leadership Association, Mid-South Chapter's second annual speed mentoring event Oct. 13.

Analytics brown bag

Please join the Analytics Community of Practice (ACoP) in their kick-off brown bag community meeting on 11:30 a.m. - 1 p.m. Nov. 2, in the Whitten Bldg., Room B113. This meeting is open to all interested parties on the Millington campus.

The ACoP provides a forum for individuals to refine and sharpen their Navy workforce analytical skills. This community is open to anyone interested in Navy workforce analytics, or who needs this for their job.

Please contact Jill Bridges with any questions at 874-2002 or jill.bridges.ctr@navy.mil.
